

Give the gift of travel

by Michelle Hayward - Certified Sandals and Beaches Specialist

With Christmas approaching fast are you wondering what to get the “hard to buy” person(s) on your list?

How about giving the Gift of Travel?

We can set up a Travel Registry for Christmas, birthdays, anniversaries, destination weddings and honeymoons or other milestone events.

With a travel registry you contribute a dollar amount towards the cost of a trip or towards a specific item for a trip such as spa treatment, excursions, luggage etc . . .

Contributed funds can also be used to purchase any travel service through Michelle Hayward TPI, just like a savings account.

Together we will design a Custom Gift Certificate highlighting the service purchased, the recipient and your name.

What an excellent way to provide a loved one with a unique surprise this Christmas!

Until next time, travel safely Michelle Hayward
